Charitable Foundation Deputy Alexander S

London, 21.10.2019, 10:26 Time

USPA NEWS - with the participation of the First world Vice Secretary General Ambassador Iurii M. Kiperman, together with the Charitable Foundation of People's Deputy Alexander Shevchenko "New Ivano-Frankivsk" and the permanent donors, such as the of the Dnepropetrovsk administration, as well as the former head of the Odessa administration Igor Paliza, at the moment he is the chairman of the Volyn region, the president of the Dnepropetrovsk Jewish community, together with the channel 1 + 1, who constantly conducts reports from the scene of events that occur on the territory of the military actions of Donetsk and Lugansk regions on the part of the Russian Federation, which conducts actions against Ukraine. And together with the UN Office in Ukraine they constantly keep a cadastre for refugees in Ukraine, the program "Assistance to refugees and their children" is being successfully implemented as well as invalids of military operations and former participants who were injured and their families, is constantly provided with medical assistance since 2014 till until today, rehabilitation of combatants, their children and families, assistance is provided in medicines, nutrition, clothing

(winter and summer), rest and rehabilitation from depression of combatants and their families

· Care for veterans of the Great Patriotic War Ivano-Fakivka region near 300 people annually (from 2014. - the current project) in Ivano-Frankivsk receive food kits, which the Fund's workers bring home.

Medical assistance is provided by the Medical Center "Headache", where Dr. Tatiana Maykova and Professor Sergey Lukashov working.

All this is done on a free basis at the expense of the above donors, as an example:

Former head of administration in the most difficult period of separatism and danger to the country stopped the seizure of the Dnipropetrovsk region by pro-Russian agents who organized the seizure of the Dnepropetrovsk administration, for which he was awarded the Order of Ukraine.

Also, the former head of the Odessa administration Igor Paliza, at the moment he is the chairman of the regional council of the Volyn region, put in order the pro-Russian movements that also wanted to capture Odessa, successfully coped with this task and Odessa remained Ukrainian.

During the bombardment near Mariupol, children were taken from boarding schools and resettled in the center of Ukraine to ensure their further study and living. Untill today, starting from 2014, the structure of the Fund is actively continuing to work with refugees and providing their families with landscaping, medicine and rehabilitation of not only combatants, but also residents who need, families of members of the armed forces and civilians of Ukraine, as an example :
